Dear Mr. Crozier:

On behalf of the parents, students, and teachers, I would like to thank you and your employees for the excellent service and assistance you provided to our playground committee. You offered your guidance on the purchase of an appropriate playground structure that met the needs of all the children in our community. As well, you provided quality installers that worked closely with the school to make the installation process as efficient as possible. Finally, you continue to extend timely maintenance to the structure when required.

Your company has responded quickly and courteously to the questions and adjustments that were required to our structure. I would highly recommend your company for school playground consultation and installation.

Sincerely,

LINWOOD SCHOOL
